SCOOTER
500-01
SCOOTER'S GLASSES HAVE SLIGHTLY OVAL LENS FRAMES, CONNECTED BY A VERY SHORT BRIDGE
THEY REST UPON HIS NOSE LIKE THIS...
EYES ARE BIG, WITH HIGHLIGHTS
ACTUAL PUPILS ARE NEVER SHOWN IN ANY OF THESE VIEWS (THESE ARE JUST MAGNIFIED IMAGES OF 'EM IN HIS GLASSES!)
SCOOTER'S REAL EYES (RARELY SEEN WITHOUT HIS GLASSES!)
SINCE HE HAS NO EYELIDS OR EYEBROWS..
SCOOTER'S RANGE OF EXPRESSION CAN BE HELPED BY DISTORTING HIS PUPILS AND GLASSES FRAMES, AND BY CAREFULLY POSING STRANDS OF 'HAIR'!
